General Secretary

Notification number: CETH-SCOMFS 002/2025

Date: 25/04/2025

Project Title: **Helix chondrocutaneous graft for nasal reconstruction: A technical note**

Investigator's Name: **BERNELIN Marylou**

Involved Structure(s): Oral and Maxillofacial surgery Department – University Hospital of Besançon - France

Document(s) Provided by the Applicant: Request for ethics committee approval - Study description – Re-use form for patient health data intended for research, studies and evaluations purposes

After reviewing the request and analyzing the documents provided, it has been determined that:

- This is a paper based on a study not involving the human being (as defined by the French Research Regulation Authorities), referred to as a “research project outside the Jardé law” (technical note with illustration by a clinical case, using data typically collected for the type of care described, no additional patient questionnaire)
- Patients has given consent for the publication of their personal data (photographs, clinical, and paraclinical data)
- The scientific value of the study is satisfactory
- The composition of the research team is satisfactory

For all these reasons, the Ethics Committee of the French Society of Stomatology, Maxillofacial Surgery and Oral Surgery (SFSCMFCO) issues a favorable opinion for this publication project.

The project lead is required to sign the commitment below:

I, the undersigned: (Name: Bernelin First name(s): Marylou date of birth: 15/03/92
title: Doctor Junior Professional address: 3 rue boulevard Fleming 25000 Besançon
Phone number: +333 81 66 84 32 Email: mbernelin@chu-besancon.fr

As the principal investigator/research project lead, I hereby commit to:

1. Requesting the opinion of the SFSCMFCO Ethics Committee for any protocol modifications made following this opinion
2. Informing the SFSCMFCO Ethics Committee of the study's progress
3. Notifying the SFSCMFCO Ethics Committee of the study's conclusion and submitting the final report and/or resulting article(s)
4. Acknowledging this opinion in the publication(s) and thanking the SFSCMFCO in the publication(s)

Date, location, signature

25/04/2025
Besançon

Approved projects by the Ethics Committee will be recorded in the research directory for stomatology, maxillofacial surgery, and oral surgery, available on the SFSCMFCO website.
